Application for Commercial Endorsement

NOTES FOR APPLICANTS

If you take up to 12 paying customers to sea on boats under 24 metres you are probably required by law to hold an RYA Certificate of Competence with a Commercial Endorsement.

If you are taking more than 12 paying passengers or/and a vessel greater than 24 metres you may require other qualifications administered by the Maritime Coastguard Agency (MCA). For further details you can visit: www.mcga.gov.uk

Full details of the requirements for the boats and manning can be found in the following:

- Harmonised Code of Practice for Small Commercial Vessels (available to view on the MCA web site www.mcga.gov.uk)

The Commercial Endorsement is valid for 5 years from date of issue or 1 year for those 65 years and over (MSF4112/Rev0305 page 7/8) after which a new Medical Fitness Examination is required and evidence of active service declared.

RYA Instructors and Examiners who are re-tested practically to re-validate do not have to record their active service.
