Our training programs are designed to meet and exceed IMO standards and are STCW Compliant. Our client list includes commercial shipping companies, marine corporations, the military, vessel management firms, the world's best super yachts and thousands of individuals whose word of mouth recommendations are responsible for our success. We invite you to come and tour our school, meet our instructors, talk to our students, and see what we have to offer.

It is a great time to schedule a complimentary career counseling session with one of our specialists to evaluate any possible upgrades and to tell you about new changes coming from the coast guard for STCW Amendments.
